

DPS MONARCH INTERNATIONAL SCHOOL

Dear Parents,

Greetings of the day!

As informed earlier through our parent orientation session, we have migrated our old school portal platform (IYC) to a new portal platform called Nexquare.

Kindly note that we will stop using the services of the IYC (the current school portal) w.e.f. the **22nd of October 2021**. Therefore, parents are requested to log in to the Nexquare portal for all the updates and circulars. **You may access Nexquare through an app called 'Nexopay' (Nexopay - School Code: "misdoha". App is available for both iOS and Android phones), or through Portal Login on our school website w.e.f. 22nd of October. You are required to log in through your registered primary email ID with the school.**

You all are requested to watch the videos (explaining the Nexquare platform) shared by your ward's HRT. In addition to that, we have prepared a user manual along with FAQs which is attached with this circular. You may go through for your reference.

Click here : <https://bit.ly/3IYpZJy>

In case of any assistance required or if you are unable to log in with your primary email registered with the school or if you have any queries, please get in touch with the IT department immediately to take necessary actions on same. You can write an email to itsupport@misdoha.com

We appreciate your understanding and cooperation.

Warm regards,

DPS Monarch IT Team.
