General Terms and Conditions

1. Assignments

Each student is assigned an iPad and is expected to maintain it in good working order for the duration of their enrollment at DPS Monarch School. iPads are continuously verified for device name and associated serial numbers.

Parents / students must sign out and Submit the iPad Protection Agreement ("Self-Declaration Form")

1.1 Accessories

Students should purchase an iPad, a protective case, a charging block, and a syncing cord at the start of their enrollment period. Students are responsible for their equipment and accessories.

NOTE: Any loss, theft, and damage of equipment will be followed as mentioned in the Updated iPad Policies.

2. Protection

Students are responsible for the general care of their iPad. Devices that are broken or fail to work properly must be reported to the class teacher / IT department immediately along with class teacher to register the incident.

Remember:

- iPads are required to be in a protective case at all times.
- If you carry your iPad in a backpack, do not drop the backpack on the floor when you take it off.
- Never place objects on the iPad, even with the cover closed.

- Avoid storing iPads in a heavy backpack, on the floor, or in other areas with a high probability of accidents.
- Keep liquids away from the iPad.

2.1 Cases

The protective cases are necessary to provide the best protection against accidental damage.

2.2 Screen Care of a iPad: screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure. Clean the screen with a soft, dry cloth or anti-static cloth. Never use liquid or chemical cleaners to clean an iPad.

2.3 General Care

Students will be held responsible for maintaining their assigned iPads in good working order.

- iPads must remain free of any writing, drawing, stickers, or labels Except that were applied by School for the control awareness.
- Do not expose your iPad to extreme temperatures, direct sunlight, or ultraviolet light for extended periods of time. If your iPad has been in a cold environment for a long period of time (e.g. travelling to/from school in the winter), let it warm up before using it.
- Cables must be inserted carefully into the iPad to prevent damage.

2.4 Repairs

Malfunctioning or damaged iPads must be reported to the IT department immediately with class teacher support. School will take necessary steps on iPad repairs by contacting the apple support vendors. Upon the cases and report from apple support if the iPads are damaged by misuse, neglect, or other accidental damage will be repaired with the costs being paid by the student/parent based on above mentioned Updated iPad Policy of 1 - 5.

See Section 8. Repairs and Replacement for more information.

2.5 Theft

Theft of iPads must be reported immediately to the School office, IT department / Security Department.

3. General Use

iPads are expected to be used at school whenever required. Students will be responsible for bringing their iPad to all classes based on teachers instructions, unless specifically instructed not to do so by their teacher.

3.1 Charging Stations are installed in respected classrooms with locker facilities, Students are responsible for completing the course work. Grades will be impacted if students come to class without their iPad or the iPad is not charged.

3.2 Screensavers and Background Images

Inappropriate media may not be used as a screensaver or background image. The presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drugs, gang-related symbols, or other offensive content will result in disciplinary actions.

3.3 Sound, Music, and Video

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Students are not allowed to use the iPad for personal entertainment while on the school network or Public at any time. Personal entertainment includes video, music, and games that are not part of a class curriculum.

Students are allowed not to install non-academic apps on the iPad; however, this privilege may be revoked at any time by a parent or a principal (or their designee) as result of poor academic standing or failure to maintain good citizenship within the school community.

4. **File Management**

Students are responsible for managing the data on their iPads and ensuring that everything is backed up regularly.

4.1 Saving Files

Students may save files on the iPad. As a safety precaution, students are encouraged to email important documents to themselves or use an online storage options (e.g. One Drive).

There is very limited storage space available on the iPad, and files will not be saved if the iPad needs to be restored its original settings. It is the student's responsibility to ensure that coursework is not lost due to mechanical failure or accidental deletion. iPad malfunctions are not an acceptable excuse for failing to turn in coursework.

4.2 Data Loss due to Network Connectivity

School makes no guarantee that the network will be up and running 100% of the time. In the rare case that the network is down, the School will not be responsible for lost or missing data.

5. **Apps and Settings**

5.1 School Recommended Apps

School recommends apps that are required to complete the coursework needs to be installed as mentioned in iPad Policy. From time to time the school may add additional software applications for use in a particular course if required and advised by school authorities.

5.2 Find My iPhone

Find My iPhone is a setting in iCloud that must remain turned on at all times. The setting can be accessed by opening the Settings app, then navigating to iCloud → Find My iPhone.

Students are required to remain logged in to iCloud using the Apple ID created using their School email address. The disabling of the Find My iPhone setting will result in the loss of iPad privileges. The tracking feature in Find My iPhone can only be used by somebody with knowledge of the school's Apple ID and password.

5.3 Additional Software

Students are not allowed to load apps on their iPads without the knowledge of school authority. While connected to the school network, students may only download apps for classroom use if recommended by school.

5.4 Student Installed Apps

Non-academic apps are not allowed to be installed on the iPad as long as they do not interfere with a student's ability to complete required coursework. All apps and data may be erased if the iPad ever requires repair or troubleshooting. Apps purchased with personal iTunes accounts can be removed, but that process is beyond School control and School assumes no responsibility for lost apps and data.

5.5 Software Restore

If technical difficulties occur, the iPad may be restored to factory settings or receive a new installation of the operating system. The school does not accept responsibility for the loss of any software or documents deleted due to a re-format and re-image.

5.6 Software Upgrades

New versions of iOS and installed apps are made available in the App Store. Students are allowed to update installed apps; however, it is suggested that students wait for an official notice from the IT department before upgrading to a major version of iOS (e.g. iOS 14 to iOS 15)

6. **Acceptable Use**

Use of the iPad is governed by the School Policy and the policies and procedures contained in the iPad Policy and User Agreement.

6.1 Privacy

Users should not have an expectation of privacy or confidentiality in the context of electronic communications or of other files sent, received, and/or stored on the School's network or iPads. School reserves the right to examine all data sent, received, and/or stored on the School network and iPads. All communications, including text and images, may be disclosed to law enforcement or other third parties without prior consent of the sender or receiver.
