YOU ARE THE WORLD, YOU ARE OUR CHILDREN YOU ARE THE ONES WHO MAKE A BRIGHTER DAY, so, let's celebrate you today...

Children's Day is always a special day at school, and at **DPS-Monarch** we endeavour to make this day unique and memorable for our children. On **14th November 2022**, a day celebrating children, where the focus would be on children and their enjoyment, was planned with great precision and enthusiasm by our teachers. The school was decked with balloons and banners. A day of fun, energy and laughter was organised, complete with dance, song, drama, humour, gifts and chocolates. The result was a special school assembly, that was viewed by each student.

The programme began with a special message to all the children, by our Principal Ms. Meenal Bakshi and other school Heads. The songs presented resonated with love and affection for each child. The lyrics revealed how special our children are and what they mean to us. The musical entertainment that followed was complete with some melodious renditions by the teachers, of both Indian and western compositions. The teachers and staff received a standing ovation from the students, who loved, enjoyed, and appreciated the time, effort, and work put in by the teachers, not only on that day, but every day.

Other songs included dance by teachers and foot-tapping numbers to sing-along. The enthusiasm displayed by the students was infectious, and soon the faculty was seen joining in with some popular classics. The school building reverberated with lilting music and joyous dance by the students and faculty members.

'Thanksgiving Day'

"Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough."

At **DPS Monarch International School**, education is not only technology-driven but also deep rooted in values and morals. Children are never too young to learn the value of everything they have in life and for being thankful for it. **'Thanksgiving Day'** is one of such occasions which is utilized in inculcating values in students especially the value of being thankful. DPS Monarch observed **'Thanksgiving Day'** along with its hard-working and sincere Support Staff on 17th November, 2022. Students contributed wholeheartedly with various supplies to make this day meaningful. The purpose of celebrating this day was to appreciate the work of the support staff and create long-lasting memories together. On this day, almost 200 staff members were felicitated by the Principal, **Ms. Meenal Bakshi** with the belief to celebrate their valuable presence in the institution and convey the thankfulness and appreciation for their continuous support and cooperation. She also presented the food items and other supplies brought by the students as a token of love and thanksgiving.

FIFA WORLD CUP 2022

“THE EVER-DREAMT INTERNATIONAL SPORTING EVENT OF QATAR”

The award of hosting the World Cup this year 2022 for the tiny desert country Qatar came as a surprise to many countries, The world cup in Qatar will be the quadrennial tournament organized by FIFA and the first one to be hosted by an Arab country. There are 32 teams which will be participating in this tournament for the most coveted prize in international football.

Here at Monarch our little FIFA fans of KG2 celebrated this amazing event by knowing the facts of this federation they also learnt the names of the stadiums and the countries participating in this spectacular sport. They also learnt the official mascot of the Qatar world cup the adventurous, fun, and curious 'La'eeb'

Children were all excited in colouring the trophy and the flags of the countries participating in the tournament with the spirit of FIFA. This enjoyable and a benchmark memory was captured.

Expect the Amazing, Develop the Game, Touch the world, build a better future and that is the spirit.

LOVE YOU QATAR!!!

VALUE OF FRIENDSHIP

FRIEND:

"A SOUL FILLED WITH LOVE, CARE, UNDERSTANDING, EDURANCE, A BOND TO STAND ALONG, TO LAUGHT A LITTLE HARDER, CRY A LITTLE LESS AND SMILE A LOT MORE."

Value this magical relationship with all your heart, where the door is always open, the lounge is always welcoming, where home is a place of peace and non-judgement, and phone lines are always free for anyone who wants to chat.

Tea, coffee, chocolates, and lots of tight hugs to our beloved friends, treasure this priceless relationship.

On this auspicious celebration of knowing the value of friendship, our little friends of kindergarten 2 made colourful handprint cut-outs with valued mannerism words written on it. As they wrote these precious words with smiles on their faces, they also learnt the heed of these words, the children were taught the gesture of mannerism, speech pattern and micro behaviour of everyone, they also learnt to humble themselves and show empathy to their peers and friends. It was a reminder that there are many angels with the random acts of kindness in their everyday journey of life.

All the little palms spoke mannerism which was tucked in a pot filled with seeds of happiness. To move, to breathe, to fly, to float, to give all while you give is all about friendship.

AN AMAZING DAY TO BE WITH FRIENDS AS WE EXCHANGED GESTURES OF THE VALUES LEARNT.

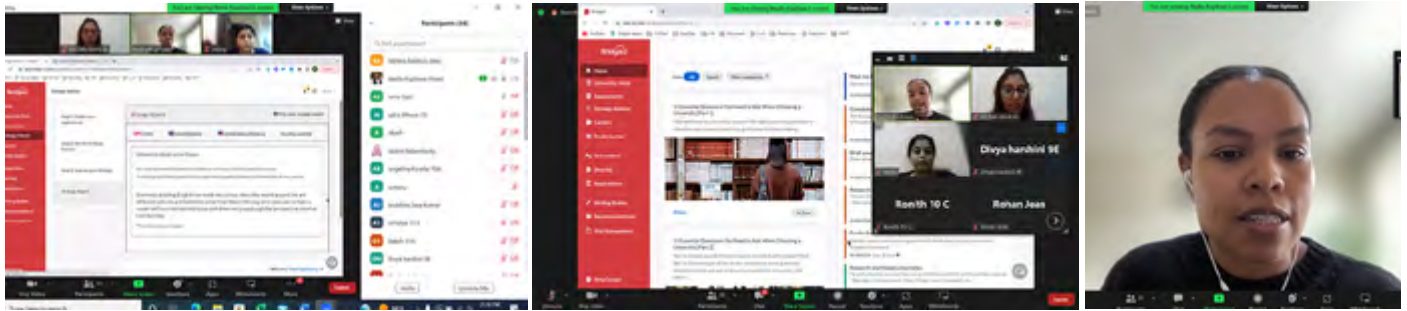

Create your own ANIMAL MASK

EVS learning provides an opportunity for children to explore, investigate and develop an understanding of the natural, human, social and cultural dimensions of the local and wider environments. It also brings out the artistic side in them. Learning becomes fun when the children are exposed to various hands on activities. Grade 1 children slipped into the shoes of their favourite animal! They made their animal mask under the supervision of their teachers. Each kid mimicked his/her animal sound while naming the animal. It was an entertaining & engaging session. They watched each other with rapt attention and joy!
