From Principal's desk...

Dear Parents,

Greetings of the day!

As the school's first term draws to a close, I wanted to take a moment to extend my warmest wishes to you and your family for a fantastic summer vacation. It has been a pleasure working with you and your children, and I am truly grateful for your continuous support and partnership. With the summer break finally upon us, I hope you can take this time to recharge, rejuvenate, and indulge in the activities that bring you and your children joy and relaxation.

During this break, I also encourage you to prioritize self-care and personal well-being. Take the time to unwind, recharge, and focus on the things that bring you joy. As parents, your own well-being is crucial, as it sets an example for your children and allows you to continue providing the support they need.

I want to take this opportunity to express my deep appreciation for entrusting us with your children's education. It is an honor to be a part of their journey, and I look forward to continuing our partnership and eagerly look forward to seeing your children on the 27th of August 2023. Until then, may your summer be filled with joy, laughter, and moments of blissful tranquility. Thank you once again for your support!

Enjoy your well-deserved summer break!

Warm regards,

Meenal Bakshi
Principal
