

Commemoration of 3rd Anniversary of NEP-2020 through CBSE One Child, One Plant Campaign

Dear Parents,

Greetings of the Day!

To commemorate the 3rd anniversary of the National Education Policy (NEP) 2020, CBSE proposes to undertake a sensitization campaign for schools and students on environmental concerns such as energy conservation, wastage of food at social gatherings, hazards of electronic waste, conservation of petroleum products, plastic pollution, etc. The Board also proposes a massive tree plantation campaign called '**CBSE - One Child, One Plant Campaign**'.

- We encourage all students from **Grades 3 to 8** to take part in the campaign by planting a sapling at any convenient place and should monitor the plant's growth.
- A picture of the child with the sapling can be sent to the respective class teachers on or before 29th August 2023.
- Discussions will be held in class about various environmental concerns, the importance of tree plantation, conservation of resources, etc. Students may also discuss the varieties/ common and scientific name of trees/ sapling planted, its benefits, its occurrence, the kind of care it requires to grow, etc. This will help the students to better understand the environmental concerns, their causes, and the remedial measures for them.

Thank you for your support and cooperation!

Regards,
DPS Monarch Team

Ms. Meenal Bakshi
Principal

Our Motto

Education with a difference

Our Vision

DPS Monarch International School will deliver learning excellence that is child-centric, value-based, and technology-driven.

Our Mission

DPS Monarch International School will ensure that students add value to their community and make the world a better place to live.
