Dear Students and Parents,

Greetings of the day!

We trust that the recent summer break has provided you with the opportunity to relax, rejuvenate, and spend quality time with loved ones. As we return to school, it is with great pleasure that we welcome you back to continue our educational journey together.

As we move forward, we encourage students to approach their studies with renewed enthusiasm and determination. The remaining part of the school year offers exciting opportunities for growth, learning, and personal development. Our dedicated team of teachers is here to support and guide each student after completing their 5 days of post summer vacation CPD program.

As we resume classes, we will continue to prioritize the safety and well-being of our school community. We will adhere to all recommended health and safety protocols to ensure a secure learning environment. Apart from this we have lineup events, activities, and term 1 end examination planned for the coming weeks, aimed at enhancing the educational experience for our students. We look forward to your active participation in these activities and wish students all the best for their examination.

We also want to remind you of the updated timetable w.e.f. the 27<sup>th</sup> of August 2023. Please check the school portal for the same and other important information. Parents, your involvement and support are crucial in helping students thrive academically and emotionally. We appreciate your continued partnership in your child's education. If you have any questions or concerns, please do not hesitate to reach out to us. We believe that open communication between home and school is essential for the success of our students.

Once again, welcome back to school. Let's make the most of the time we have left in this academic year. Together, we can achieve great things.

Thanks & Regards,
