## KINDERGARTEN ANNUAL DAY

DPS Monarch International School celebrated Kindergarten 1 & 2 Annual Production "The Mystical Tales - A journey to unveil the magic within you." on the 14th of December 2023 at DPS Modern Indian School Auditorium. Many eminent dignitaries were present at the annual day celebration. All the students and their parents were invited to this function. The program started at 5:30 p.m. with our Principal Ms. Meenal Bakshi and our Headmistress Ms. Avlin Blossom delivering their commencement speech and inviting our special guests. We had our Chief Guest Dr. Vaibhav A Tandale, First Secretary of Embassy of India and Our Acting President Mr. Yasir Nainar addressed the gathering. The students from kindergarten entertained everyone with their charismatic dance and skit performances. Parents and guests were happy and excited to see our little Monarchians' flawless performance.

The mind-blowing performance got a standing ovation and much praise from the audience. The choir group mesmerized the audience and the dignitaries with beautiful melodic songs. The parents kept cheering for their children who were performing on the stage. After two hours of grand performances by the little monarchs, the dropdown in our grand finale emphasized that at a very young age in their learning journey the true values always win over the materialistic world. The Magical evening ended with the Academic Coordinator Ms. Bhuvana Suraj proposing the vote of thanks and extending her warm regards to everyone present at the Kindergarten Annual Production.

# QATAR NATIONAL DAY- HUES OF AL-ADHAM AND WHITE

The Qatar National Day celebrations at our school were a resounding success, leaving a lasting impact on everyone. The entire campus was transformed into a sea of colours, adorned with the vibrant hues of the Qatari national flag. The festivities were marked by a series of events, including doodling art, poster making, speeches, and quizzes. Through these activities, students actively engaged in celebrating and acknowledging the rich history, colourful traditions, and remarkable achievements of Qatar. The day was not just about enjoyment; it was an opportunity for the children to deepen their knowledge and understanding of the country they call home. The sense of unity and love for Qatar was palpable throughout the celebrations, fostering a strong bond among the students. As they participated in various activities, they not only had fun but also imbibed a sense of patriotism and appreciation for their cultural heritage. The Qatar National Day celebrations at our school served as a powerful platform for education and unity, leaving a cherished memory for all who were part of this memorable day.

# DECEMBER CLUB BLISS: EXPLORING TRANQUILITY THROUGH YOGA AND MEDITATION IN GRADE 1.

Embracing tranquility and mindfulness, Grade 1 students immersed themselves in the enriching club activity for December – Yoga and Meditation. As Albert Einstein once said, 'In the midst of movement and chaos, keep stillness inside of you.' The young participants discovered the significance of cultivating inner peace and focus through simple yoga poses and meditation techniques. This holistic approach not only enhances physical well-being but also instills valuable life skills. The December club activity served as a foundation for fostering a balanced and harmonious life for our budding learners, encouraging the cultivation of both physical and mental well-being.

## EMOJI DESIGN- WHERE EMOTIONS TAKES ON A SHAPE

*“A pictogram filled with emotions and feelings”*

With the advent of internet, people received an opportunity to communicate faster. However, social relations required more than merely exchanging messages. People wanted to share not only messages but also their emotions and feelings. Hence emoticons, text-based smileys were introduced. Here at monarch our little dazzling emoji's of grade 2, entered into a sphere of life to craft work different feelings by making an emoji grid of happy, sad, sleepy and sober smileys. They also crafted a winter vacation card using the emoji ideograms that symbolizes emotions to convey feelings. They also wrote a short story that had the digital information exchange. Thus the students enjoyed making smileys to demonstrate one's feelings. Hence emoji's have become “the rough edges of digital life.”

## EXPLORING LIFE SKILLS: GRADE 1'S AMAZING JOURNEY BEGINS

In life skills class, Grade 1 students undertook captivating adventures that seamlessly merged fun with valuable learning experiences. The Team Building and Decision-Making activities emerged as dynamic catalysts, nurturing their holistic development.

**Team Building Tales:** From the spirited Passing Hula Hoop to the collective Picture Puzzle, students refined teamwork, communication, and coordination. These activities fostered unity, resilience, and an appreciation for each team member's unique contributions.

**Decision-Making Expedition:** Amid hypothetical scenarios, students showcased critical thinking and collaborative problem-solving, reinforcing the significance of teamwork and individual input. This vibrant journey not only heightened the joy of learning but also planted the seeds for collaboration, creativity, and resilience in our Grade 1 students.

## UNITED WE STAND: CELEBRATING NATIONAL UNITY DAY AT OUR SCHOOL

*“Unity in diversity is India's strength. There is simplicity in every Indian. There is unity in every corner of India. This is our strength.”*

In commemoration of Sardar Vallabhbhai Patel's birth anniversary, **DPS-Monarch International School** proudly observed **National Unity Day** on 31st October 2023, an occasion dedicated to promoting the spirit of unity and integration among the diverse tapestry of our nation. A documentary on Sardar Vallabhai Patel on National Unity and his contributions shown to students of **Grade V to X** which was conducted by the **Social Science** Department. As we commemorated this day, let us carry forward the spirit of unity in our hearts, fostering an environment where differences are celebrated, and together we build a stronger and more resilient India.

## GRADE 3 CLASS ASSEMBLY - FARMER

Grade 3E students of DPS Monarch International School actively conducted their class assembly on the topic "Farmer". It was a meaningful and impactful assembly that resonated with the school community. The aim of this assembly was to recognize and honor the vital role played by farmers in our society. The highlight of the assembly was a vibrant dance performance. The dance not only entertained the audience but also served as a creative expression of gratitude towards farmers and the cyclical nature of agriculture. The assembly reached its pinnacle with an address by the headmaster. The headmaster expressed sincere appreciation for the farmers, acknowledging them as unsung heroes.

## CLASS VII-E ASSEMBLY -REPORT-THE GUARDIAN OF RIGHTS

### ***"The Guardian of Rights- Tribute to the Indian Constitution"***

*"Constitution is not a mere lawyer's document, it is a vehicle of life and its spirit is always the spirit of age" - Dr. B.R Ambedkar*

In **DPS Monarch International School**, on the 10th of December, **Class VII-E** presented a tribute assembly, themed, the **"The Guardian of Rights- Tribute to the Indian Constitution"** in honor of National Laws Day, also known as Constitutional Day. The assembly served as a heartfelt homage, reflecting a deep-rooted respect for the foundational principles of the country. The proceedings commenced with Abdul Hadi delivering a beautiful recitation of the Quran, followed by Dev, Evelyn, and Shayaan presenting the school's vision, mission, and motto. Sistha Rakshana and Naveen Shree Raj enlightened the audience with thoughtful insights to enrich vocabulary, while Bhadra Nithin, Ratandeep, and Durva Joil provided updates on global affairs. Isha delivered an insightful speech. The pivotal point of the assembly was an impactful skit titled **'The Guardian of Rights - Tribute to the Indian Constitution,'** performed by the entire class to show everyone how our Constitution was formed. This engaging enactment served to elucidate the formation of our Constitution, the Constituent Assembly's role, and its fundamental rights and directive principles of state policies. The resonance of the Indian Constitution's preamble reverberated throughout the audience. Siona and Akshaj Munshi took on the role of emcees for the event. The assembly left a lasting impression, emphasizing that the rights that we hold today is possible because of the Constitution of India.

## ECHOES OF THE PAST : QATAR HISTORY QUIZ

***"A people without the knowledge of their past history, origin, and culture is like a tree without roots."***

In a celebration of heritage and historical richness, **DPS-Monarch International School** recently hosted the **Qatar History Quiz** for the students of **Grade V to XI** on 19th December 2023 a riveting competition that delved into the diverse and captivating history of the nation. This event aimed not only to test the knowledge of our students but also to instill a deeper appreciation for Qatar's cultural tapestry.

The students enthusiastically participated in the Qatar History Quiz, showcasing their knowledge of key historical events, cultural milestones, and the evolution of Qatar over the years. The quiz was conducted through MS Forms. The quiz included questions on ancient civilizations, the establishment of the modern state, and the contributions of influential figures, creating a dynamic and engaging learning experience.

Beyond the competitive spirit, the Qatar History Quiz served as an avenue for students to connect with their roots and take pride in the rich heritage of the nation. Participants demonstrated a commendable understanding of Qatar's journey from its historical foundations to its current status as a vibrant and thriving country. It served as a reminder of the importance of preserving and sharing cultural narratives to strengthen the sense of national identity.

The success of the Quiz has inspired the school to incorporate more initiatives that promote cultural awareness and historical understanding. Plans are underway to organize similar events that explore the rich histories of other nations, fostering a global perspective among students.

# QUIZ 'O' MANIA BY THE SCHOOL'S FIITJEE DEPARTMENT

*“Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family.”*

DPS-Monarch International School's FIITJEE department recently organized an intellectually charged event, **Quiz 'O' Mania**, designed to stimulate the minds of our Monarchians. This quiz competition not only showcased the academic prowess of our students but also fostered a spirit of healthy competition and a thirst for knowledge. Students from **Grade V to X** enthusiastically participated in a five-day competition starting from 16th December 2023 demonstrating a remarkable grasp of subjects ranging from science and mathematics to current affairs. The competition was conducted through MS Forms which was time bound keeping the participants on their toes throughout. Quiz 'O' Mania served as a platform for students to showcase their depth of knowledge, critical thinking skills, and ability to perform under pressure. The diverse range of questions challenged participants to think beyond textbooks, encouraging a holistic understanding of the subjects. The winners of the competition will be awarded later.

## NURTURING OLYMPIANS: HIGHLIGHTS OF THE NATIONAL OLYMPIAD FOUNDATION (NOF) EXAM

*“It won't be easy, but it will be worth it.”*

DPS-Monarch International School conducted **National Olympiad Foundation Examinations for Grade I to XII** from 10th to 13th December 2023. Students took the time bound Olympiads to test their skills and knowledge in various subjects including Mathematics, English and Science. Many students showed their interest and participated in the NOF Exams in large numbers.

This prestigious competition not only tested the academic mettle of our students but also provided an opportunity for them to showcase their problem-solving skills and analytical thinking. The results of these Olympiad Exam will be declared in the month of March/April 2024.

# ASSESSING THE POWER OF EXPRESSION : A REPORT ON LISTENING AND SPEAKING SKILLS EVALUATION FOR GRADE IX TO XII

*“The art of communication is the language of leadership.”*

In our continuous pursuit of nurturing well-rounded individuals, **DPS-Monarch International School** recently conducted assessments to gauge the proficiency of listening and speaking skills as a part of Internal Assessment for **Grade IX to XII** students from 19th to 21st December 2023. The assessment was conducted on English for Grade IX to XII and all the Second Languages for Grade IX and X. The aim was to not only evaluate their linguistic abilities but also to foster effective communication, a vital skill for success in today's interconnected world.

Students participated in a variety of activities designed to sharpen their listening acumen. From engaging audio clips to thought-provoking discussions, the assessments tested their ability to comprehend information, follow instructions, and respond appropriately. The results illuminated the diverse range of listening talents within our student body.

To assess their speaking prowess, students were given platforms to articulate their thoughts on subjects close to their hearts which allowed us to witness their eloquence, confidence, and the ability to express ideas with clarity. The exercise aimed not just at polished delivery but also at promoting the development of critical thinking skills.

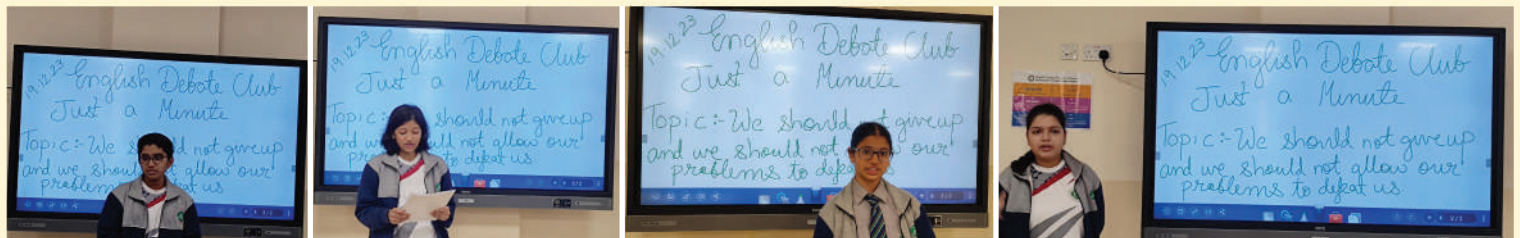

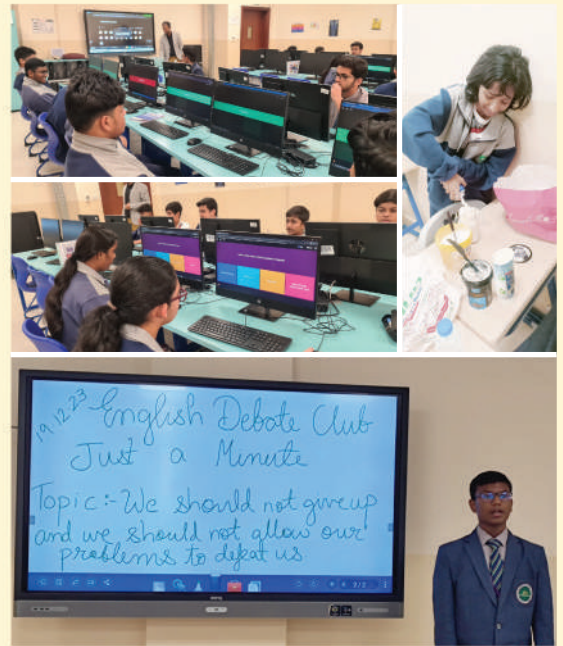

## CLUB CULMINATION : GRADE IX TO XII

*"Focus on the journey, not the destination. Joy is found not in finishing an activity but in doing it."*

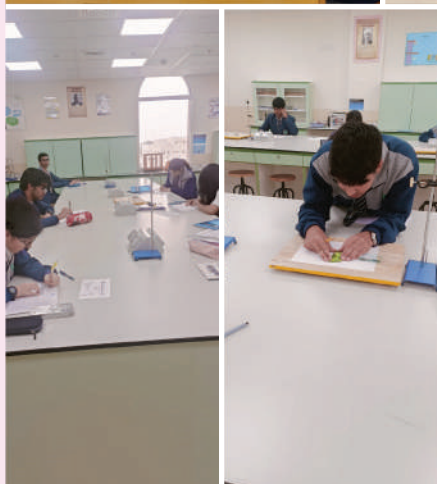

**Club Activities** are the perfect opportunities for students to participate in different group-activities, interact with peers, obtain comprehensive knowledge on areas of their interest in a supervised setting, and form relationships with other students and teachers. After enjoying different activities learning through them throughout the year, the club activities for **Grade IX to XII** came to a culmination on Tuesday, 19th December 2023.

The students of **DPS-Monarch International School** availed themselves the benefit of amalgamating with different clubs in school. **Web Tech and TEDx Clubs** helped the students to develop imagination, creative thinking, and self-expression; similarly **Dramatics and Rhythm Studio Clubs** facilitated an understanding of different drama forms, expressions, and rhythms; **Science and Robotics Clubs** worked to inculcate scientific approach and understanding of scientific innovations and creativity while **Debate and MUN Club** helped to develop oratory skills and introduces to a creative way of speaking and communicating. **Gourmet and Ecology Clubs** helped students to enhance their skills in culinary arts and showing their love towards environment. **Commerce Club** helped to develop mathematical skills and introduces to a creative way of cracking tricky commerce related problems. These clubs are truly the platform for students to collaborate, learn and perform confidently and independently. Here are some glimpses of the Culmination Day of Club Activities.

## UNVEILING PRACTICAL EXCELLENCE: INSIGHTS INTO THE CBSE BOARD PRACTICAL EXAM

*"Education is not the learning of facts, but the training of the mind to think."*

As **Grade X and XII** students geared up for the crucial CBSE Board Practical Exams, **DPS-Monarch International School** witnessed an atmosphere charged with diligence and determination. These practicals mark a significant milestone, not just assessing theoretical knowledge but also evaluating the practical application of concepts in various subjects.

Students of **Grade X** diligently prepared for the practical exams, showcasing their hands-on skills and understanding of practical aspects related to their respective subjects such as Physics, Chemistry, Biology and Information Technology. Students of **Grade XII** vigorously girded their loins for the Math practical exam. We witnessed students conducting experiments, analyses, and presentations to demonstrate their proficiency. **Grade XII** Practical Exam for other subjects will be conducted in the month of January.

The CBSE Board Practical emphasizes the importance of practical knowledge and application, preparing students for real-world scenarios beyond textbooks.

Teachers provided guidance and mentorship, ensuring students were well-equipped to navigate the challenges presented in the practical examination.

The successful completion of the CBSE Board Practical marks a stepping-stone for students as they approach the written exams, emphasizing a balanced and well-rounded academic assessment. The experience gained through practical exams serves as a valuable foundation for future academic pursuits.

## CONNECTING CLASSROOMS TO THE FUTURE: CBSE IBM AI PROGRAM GOES VIRTUAL

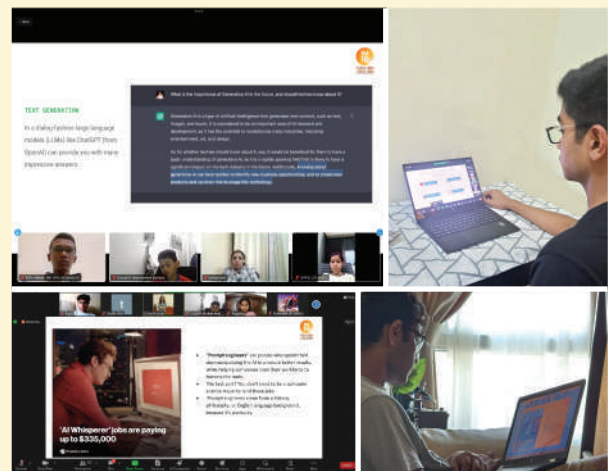

*“Empowering students with AI knowledge today ensures they lead the innovations of tomorrow. The CBSE IBM AI Program sparks the curiosity that fuels the future.”*

In a pioneering initiative, CBSE recently collaborated with IBM to bring an exciting AI Program to the screens of students of **Grade IX to XII** on 1st December 2023. Conducted seamlessly online through Zoom platform, this program aimed to demystify the world of Artificial Intelligence, opening doors to innovation and insight.

The virtual sessions were led by expert instructors from IBM, **Ms. Swathi Hari**, who engaged students through interactive discussions, presentations, and hands-on activities. From understanding the fundamentals of Artificial Intelligence to exploring its real-world applications, Blockchain, Cloud Computing, Design Thinking and Professional Skills, participants were taken on an enriching journey through the digital realm.

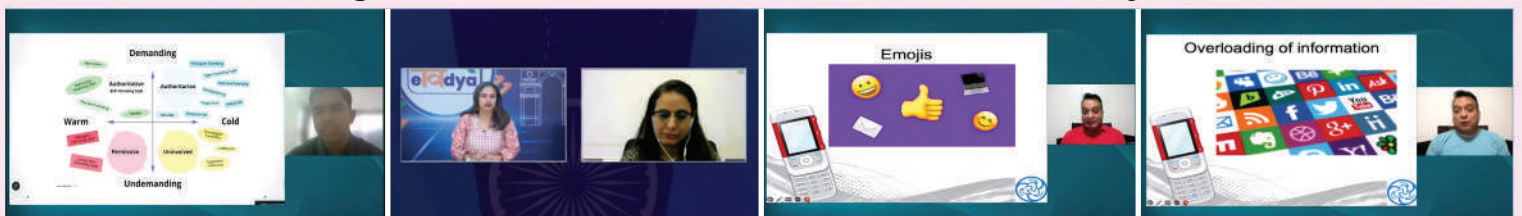

This program not only fostered theoretical understanding but also encouraged practical application. Mini-projects provided a platform for creativity and problem-solving, while a virtual tour of IBM's AI research facilities offered an inspiring glimpse into the cutting-edge developments in the field.

In conclusion, this virtual endeavor not only bridged the gap between classrooms and the future but also left an indelible mark on the students, igniting a passion for the limitless possibilities that AI presents.

## NAVIGATING THE DIGITAL REALM: A GLIMPSE INTO THE WORLD OF CYBER PARENTING

*“Parenting in the digital age is like navigating a vast ocean. Equip yourself with knowledge, steer with love, and let trust be the wind in your sails.”*

In an era where technology shapes the landscape of our daily lives, DPS-Monarch International School recognizes the importance of educating teachers, parents and students on the nuances of cyber parenting. As part of our commitment to holistic development, a recent workshop shed light on the challenges and strategies associated with raising children in the digital age.

The five-day workshop on Cyber Parenting was conducted by CIET-NCERT online through YouTube platform from 4th to 8th December 2023 which emphasized the need for open communication between teachers, parents and children regarding online activities. Understanding the digital world is crucial in fostering trust and guidance. The workshops enhanced the understanding on cyber parenting and equipping parents to guide their children through the digital domain, fostering a healthy and balanced relationship with technology.

Day 1 workshop was on Generational Perspectives in Cyber Parenting by Dr. Raakesh Kriplani, Consulting

Psychologist and Psychotherapist. Day 2 workshop was on Types of Parenting Styles in the Digital Age by Dr. Sayan Bandyopadhyay, Assistant Professor of Clinical Psychology. Day 3 workshop was on Challenges and Problems in Cyber Parenting by Dr. Raakesh Kriplani, Consulting Psychologist and Psychotherapist. Day 4 workshop was on Interventions and Strategies for Effective Cyber Parenting by Geetesh Kumar Singh, Asst. Prof. of Clinical Psychology and Day 5 workshop was on Smart Parenting: Effective Monitoring and Surveillance by Dr. Jasbir Kaur Thadhani, Assistant Professor; Rashtriya Raksha University.

Discussions revolved around the potential dangers of the internet, including cyberbullying, inappropriate content, and online predators. Parents were equipped with tools to educate and protect their children from these threats. The session highlighted the significance of setting digital boundaries and age-appropriate screen time, striking a balance between technology use and other essential aspects of a child's development.

## CHARTING PATHS: A GLIMPSE INTO THE SCHOOL'S CAREER COUNSELING SESSION

*“Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do.”*

In a dedicated effort to guide students towards informed career choices, **DPS-Monarch International School** recently hosted a comprehensive Career Counseling Session for **Grade IX to XII** students on 11th December 2023. This session was a part of career counselling program, **‘Mentoring Young Minds’ (MYM)** which is initiated by the school which aims to help our students acquire the knowledge, information, skills and experience necessary to identify career options. The event aimed to provide valuable insights, assistance, and clarity to our students as they navigate the exciting journey of choosing their future professions. **Mr. Jitin Chawla** who is the Founder and Director of North India’s topmost career counselling firm, Centre for Career Development was the keynote speaker at the seminar. He gave an overview on various courses available, admission process, student’s profile building for universities, scholarships and updating students on new age career options. In the last

segment of the event there was a Questions and Answers session which was patiently handled by Mr. Jitin Chawla. The session was concluded by extending gratitude to our guests for their presence and to various departments for their support.

## IGNITING YOUNG MINDS: A GLIMPSE INTO TEDx YOUTH

*“Ideas are the currency of the future.”*

In a celebration of ideas, innovation, and youthful inspiration, **DPS-Monarch International School** students from **Grade X to XII** visited **DPS-Modern Indian School** on 16th December 2023 for the **TEDx Youth** - an event that brought together students and speakers to share powerful narratives and ideas worth spreading. The TEDx Youth platform provided a stage for our students to explore diverse topics, fostering intellectual curiosity and sparking meaningful conversations.

Engaging speakers: Ms. Conchita Ponce, Mr. Syed Hamad Abbas, Ms. Aghar Jaleed Muhammed, Ms. Asmaa Al- Kuwari and Mr. Abdul Nasser delivered captivating talks on the Theme: **The Art of Flaws**. The event encouraged students to think beyond conventional boundaries, challenging them to question, reflect, and share their unique perspectives.

TEDx Youth served as a source of inspiration, empowering students to recognize the potential within themselves and their peers to effect positive change. Talks addressed not only academic and career-related subjects but also delved into the realms of personal development, resilience, and the power of embracing one's authentic self.

The event fostered a culture of dialogue and exchange, promoting active listening and open-mindedness among students. Q&A sessions and discussions allowed the audience to engage with the speakers, creating an environment where ideas could be shared, questioned, and celebrated.

Head of English Department, **Ms. Sudha Bhuvaneshwaran** and Head of Math Department, **Mr. Ajeth Moolayil** accompanied the students for the event.

## QATAR DEBATE'S BEGINNER JUDGES TRAINING WORKSHOP

*"Education is not preparation for life; education is life itself."*

The last session of the **Beginner Judges Training** by **Qatar Debate** was held on 6th December 2023 at Al Multaqa, Education City, Qatar. This training was attended by The Faculty of English: **Ms. Rajeshwari Lakshminarasimhan**, **Ms. Anamika Sehgal** and **Ms. Himaya Dennis**, who had a great experience as it improved their critical and analytical thinking skills. The training program aimed to empower our teachers with the tools, techniques, and knowledge needed to guide students in the art of debate. It underlined the pivotal role of educators in nurturing critical thinking and effective communication.

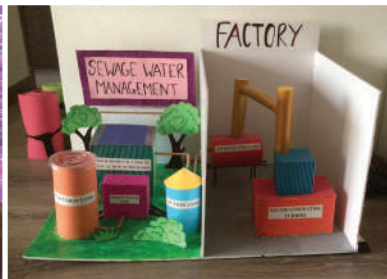

The workshop covered fundamental aspects of debate judging, including evaluating arguments, understanding debate formats, and providing constructive feedback. Participants engaged in hands-on activities and discussions, gaining practical insights into the nuances of adjudication. Qatar Debate's experienced facilitators fostered an interactive learning environment, ensuring that teachers left the workshop not only as informed judges but also as enthusiastic advocates for the art of debate.

As our school community continues to embrace the culture of debate, we look forward to witnessing the positive influence of these trained judges on our students' intellectual and personal development.

## UNLEASHING YOUNG MINDS: SIFQ'S QATAR CHILDREN'S SCIENCE CONGRESS

*"Science knows no country, because knowledge belongs to humanity, and is the torch which illuminates the world."*

DPS-Monarch International School's students from **Grade V to XII** participated in the 3rd Round of **Qatar Children's Science Congress** organized by the **Science International Forum Qatar (SIFQ)** on 16th December 2023. This engaging event provided a platform for budding scientists to showcase their innovative ideas and delve into the exciting world of scientific inquiry.

We are glad to inform you that **Mrinal Dabi** of Grade VIII E and **Rudrapratap Singh Dabi** Grade V E has been selected in **NCSC 2023 - Top Three Winners** who will proceed to India for the National Camp and 1st Runner up in final **QCSC 2023 - Junior Category**. In senior Category- **Aarthi Subhah** and **Adhwaya Oshen** of Grade IX C bagged the consolation prize.

The competition emphasized hands-on learning, encouraging students to apply scientific principles to real-world challenges and present their findings in creative and engaging ways. The event aimed to instill a passion for science among students, fostering a love for exploration, experimentation, and critical thinking. Participants not only demonstrated their scientific prowess but also highlighted the practical applications of their projects, underscoring the relevance of science in everyday life.

The Qatar Children's Science Congress brought together a community of young scientists, promoting collaboration, knowledge sharing, and a collective appreciation for the wonders of science. The interactive nature of the event sparked conversations and ignited a sense of wonder, encouraging students to continue exploring the limitless possibilities within the realm of science.

## A CULTURAL ODYSSEY: EXPLORING THE FRENCH INSTITUTE

*“To have another language is to possess a second soul.”*

In an endeavor to broaden cultural horizons and foster linguistic appreciation, students from **DPS-Monarch International School** recently embarked on an enlightening visit to the French Institute, Qatar under the aegis of **French embassy** for the upcoming Open Day on 9th December 2023. This excursion provided an immersive experience, allowing students to delve into the rich tapestry of French language, art, and culture.

This event provided a fantastic array of activities and opportunities and an immersive and enriching experience for the students. The students of **Grade V to IX**, those who have opted French as second and Third Language took advantage of this opportunity to learn, explore, and enjoy the vibrant offerings of the French Institute of Qatar. **Mr. Vicky Thuteja**, Head of French Department and Faculty of French, **Ms. Pradanya** and **Ms. Ashna** facilitated the students at the venue.

The students explored and enjoyed the activities such as: Art and Craft, Short Film Screenings with complimentary popcorn, Gingerbread Cookies Workshop, Cheese and Bread Tasting: Offered by Monoprix and La Boulanger, Virtual Reality Experience: Presented by Fnac and Henna Application. Students gained insights into courses, exams, and studies in France. Additionally, a Fnac booth was also available, offering discounted book sales. The French school Lycée Bonaparte and the Association of French Teachers were in attendance to provide valuable information and support. The visit aimed to create a dynamic and immersive environment, enabling students to witness the beauty of the French language and its cultural expressions firsthand. The visit to the French Institute facilitated a cultural exchange, with students gaining insights into the traditions, customs, and artistic influences that shape the French way of life. Conversations with French speakers and exposure to authentic materials enhanced students' language skills and deepened their understanding of the cultural nuances embedded in the French language.

## WAVES OF CHANGE : BEACH CLEANUP DRIVE MAKES A SPLASH

As part of the **Environmental Awareness initiatives** and **DPS-Monarch International School's MYM Program**, the school organized a **Beach Cleanup** for the students from **Grade VIII to XII** on Wednesday, 13th December 2023. The drive was organized in collaboration with **Doha Environmental Actions Project, Qatar (DEAP, Qatar)**. DEAP is run by a Mexican – American industrial Engineer turned full-time volunteer and environmental activist, **Jose Saucedo**, a resident of Qatar. This initiative was taken to instill a sense of social responsibility towards the community of students and fight against plastic pollution in Qatar.

*"The ocean stirs the heart, inspires the imagination, and brings eternal joy to the soul."*
