The most coveted show of Debate! The Debate Showcase with the creamy crescent debaters of such eloquence and agility was made in face of our powerful debater Juwain Raffath of Grade VII B who was selected to represent our delegation out of 100 teams from different international schools in Qatar. A proudful moment for all of us to spot our vision among the top international schools like GEMS, QIS, Belgravia, United International, Park House and others. Aeindri Ghosh of Grade VIII A was selected as the Champion Scholar from the Junior category.

Seeing the overwhelming response of the students for the competition, the school Principal, Ms. Meenal Bakshi

A team of teachers with such a dedication and enthusiasm! The teachers and mentors who have guided and supported the students throughout and the efforts that they have put in; going out of the way and miles extra for taking the vision of the school forward and making this event a successful one.
