**EDUCATION WITH A DIFFERENCE**

**In This Issue : Events Update, Academic Updates, Workshops, Upcoming Events...**

Dear students and families,

Welcome back to yet another exciting Academic session 2024-25! I trust that the new year has commenced on a positive note for all of you, and I extend a warm welcome to those who are just joining us at DPS-Monarch International School. As we gather back again on campus, it's not merely a return to school; it's a homecoming. "Home" is a word that carries profound significance, and I employ it here with utmost sincerity. Within these walls, you'll find a community that genuinely cares about you—a place where each of you matters, accepted for who you are and who you aspire to become.

As we embark on this new year together, let us embrace the opportunity it presents to set fresh goals and pursue our aspirations with renewed vigour. Whether it's academic achievements, personal growth, or community involvement, let us approach the year ahead with enthusiasm and determination. Let us challenge ourselves to reach new heights, to explore new horizons, and to make the most of every opportunity that comes our way.

Together, let us make this academic year a time of growth, discovery, and positive transformation. Let's remain steadfast in our commitment to our school mission: working together to make the world a better place. In the weeks ahead, I urge you to contribute your thoughts and ideas on how we, as a school community, can fulfil this mission by fostering meaningful change within our school and beyond.

Go Monarchians!

Warm regards,

**Meenal Bakshi**  
Principal

## NEW ACADEMIC SESSION

### A NEW SCHOOL YEAR MEANS NEW BEGINNINGS, NEW ADVENTURES AND NEW CHALLENGES!!!

**DPS Monarch International School** welcomed the students of all grades to the new academic session **2024-25 on 1<sup>st</sup> April 2024**. We were happy to begin on a new journey imparting education in a creative and unique way. The school environment was buzzing with energy as we prepared for new friendships, new experiences, and new successes. We encouraged our students to be curious, ask questions, express themselves confidently, and respect diversity.

The corridors and classrooms were filled with chatters of students who were happily expressing how they spent their year-end break. Even the little ones of our tiny tots were excited and full of energy. This was quite evident in their playful shrieks and screams, in their cheerful laughs and their radiant smiles.

Back to school mode did nudge their zeal awake. The teachers welcomed all students to make them feel comfortable and rendered their kind support so that the students felt safe and happy.

Easing all the students back to school routine is as challenging as ever but teachers at **DPS MONARCH INTERNATIONAL** were **READY IN ACTION** with careful planning and few playful methods to help

our students is reflected in the robust co-curricular activities we have planned for this academic year. In short, we aim to provide an intellectually stimulating and empowering environment where each student can

student community return to work and study with renewed enthusiasm and vigor. Our team of dedicated educators created an engaging and dynamic curriculum that will challenge students to reach their full potential.

Our school has always prioritized providing an education with a strong focus on All Round Development of students for their future careers, and this new academic session is no exception! With an impressive lineup of extracurricular activities, including sports teams, music programs, and clubs catering to various interests such as journalism and robotics, there's something for everyone. Our commitment to fostering the holistic development of

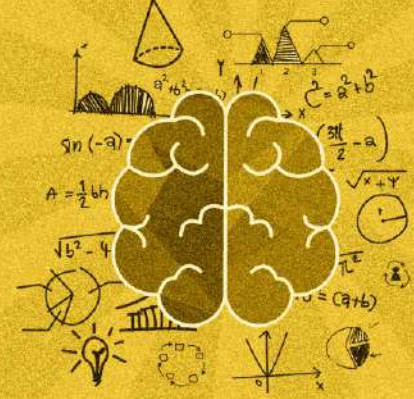

flourish and reach their full potential.

**All the best for the new academic session 2024-2025!**

# Earth Day 2024

*"Unwavering commitment to end plastics for the sake of human and planetary health"*

On April 22, 2024, DPS-Monarch International School celebrated Earth Day with a series of engaging activities centred around the theme "Planet vs Plastic." Students from grades 3 to 8 participated in various initiatives aimed at raising awareness about environmental conservation and reducing plastic usage.

**"The Earth is what we all have in common."**  
-Wendell Berry

Earth Day

Let the fish swim freely  
Don't throw garbage at them.

## GRADE 1

In the gentle embrace of April's breeze, Grade 1 warmly welcomed World Earth Day with open hearts. Inspired by Gaylord Nelson's vision, they set forth on a meaningful journey to honor our beloved planet. With eager hands and curious minds, they immersed themselves in the wonders of nature, crafting a model of Earth adorned with messages of conservation. Through lively discussions and joyful exploration, they pledged to care for our precious resources as stewards of Mother Nature.

## GRADE 2

Little Monarchians of Grade 2 celebrated Earth Day with much vigour. To add value to their learning they crafted an earth day booklet that had information of conserving and saving our earth, students also engaged in I-PAD activity with a quiz that was subject integrated they also had colourful conversation about different ways of caring for Mother Nature.

## GRADE 3 AND 4

**"Nature's Canvas: Exploring Art with Leaves"**

Students in grades 3 and 4 at celebrated Earth Day by creating stunning artworks using leaves as their medium. This leaf art activity not only fostered their creativity but also deepened students' appreciation for the natural world.

## GRADE 5

**"From Waste to Wow:  
Crafting Pen Holders with Purpose"**

Grade 5 students embraced recycling and upcycling by crafting pen holders from paper cups and pistachio shells. This activity showcased their ingenuity in repurposing everyday items while promoting sustainable living.

## GRADE 6

**"Digital Advocacy: Say No to Plastics"**

In grade 6, students utilized their iPads to design powerful posters advocating for the reduction of plastic usage. Through digital artistry, they conveyed a compelling message of environmental responsibility.

## GRADES 7 AND 8

**"Artistic Recycling: Transforming Glass Bottles into Eco-Art"**

Students in grades 7 and 8 showcased their creativity by repurposing glass bottles into stunning artworks. This activity highlighted the importance of recycling and conservation in preserving our planet for future generations.

Through these diverse activities, our Monarchians demonstrated their commitment to environmental stewardship and sustainability. By engaging students in hands-on initiatives, the school community came together to celebrate Earth Day and inspire positive action towards a greener, more sustainable future.

## GRADE 9-12

Grade IX and X participated in Collage making competition based on the topic: Stop Ocean Plastic Pollution. Grade XI and

XII took part in debate during their English Class on the topic: This house believes that it is possible to live in zero-waste society. The Monarchians were briefed on the theme of 'Earth Day' and they had an interactive session where all students were taught to understand their responsibilities and duties towards our Mother Earth. The students felt motivated to take this cause forward by spreading the message: Embracing a green life for a brighter future.

The Inter- House Bulletin Board Competition was judged by the Secondary School Headmistress Ms. Madhu Uppal,

Kindergarten and Lower Primary Headmistress Ms. Avlin Blossom and the Head of Department of Arts Ms. Shilpi Mathur. Loyalty House secured 1st position followed by the Peace and the Integrity House securing the second and the third position respectively. Through a diverse range of activities, participants were encouraged to reflect on their individual responsibilities towards protecting the planet and promoting sustainable living practices. By igniting passion and creativity, the school reaffirmed its commitment to nurturing environmentally conscious global citizens.

## Exploring the World:

# Tour de L'école

Embarking on a school tour is not just an outing; it's a journey filled with wonder and discovery, especially for our littlest learners in Kindergarten. A school tour marks their first steps into the wider world beyond their classroom walls.

On the 1st of April, The students of Kindergarten 2 were introduced with their class teacher and class room. They were then taken for a tour across the school and different classrooms such as the music room where they are given opportunities to sing out their innocent hearts in the form of melodies. This was followed by the dance room where the students were familiarised with certain dance steps to bring in positive energy with the beginning of the academic year.

They were then taken to the reception, accounts department, book store and various other segments of the school's administration. They were shown other sections of classes to give a brief idea about their school in its entirety.

These tours were performed by the class teachers along with the attenders and the Little Monarchians had an enjoyment session where not only did they bond with the teachers but also their school which will be their new home.

# EID CELEBRATION @KINDERGARTEN

Eid-ul-Fitr is a festival of prayers, brotherhood, sharing joy and happiness. Students of KG 1 & 2 of DPS Monarch International School celebrated the Eid festival by seeing an informative video presentation in which the Little Monarchians were explained the meaning, purpose, and importance of Ramadan. The celebration was continued through hands on activities and it created an atmosphere of excitement and fun as KG 1 students enjoyed colouring and KG 2 students enjoyed paper sticking activity. All the students were also beautifully dressed in vibrant colours in their traditional attire which showcased the rich heritage of culture and festivities. Additionally to embrace the Garangao traditions students helped in distribution of the goody bags to all our support staffs. We would like to thank all our dear parents for all your contributions towards this kind gesture. Wishing you all Ramadan Kareem and Eid Mubarak!

## CELEBRATING DIVERSITY:

# Eid and Garangao at DPS Monarch International School

In the vibrant corridors of Grade 1 and 2, laughter and cultural richness abound as our students engage in a special activity celebrating Eid and Garangao.

Grade 1 Monarchians craft charming bookmarks, each radiating the joyous spirit of Eid, while Grade 2 students dive into creating Eid greeting cards, infusing each stroke with the essence of these festivals. Dressed in traditional attire, our students not only showcase their creativity but also their respect for diverse cultures. Through shared experiences, they weave bonds of unity and celebration, crafting a beautiful tapestry of cultural harmony.

# Eid Celebration @Middle School

Eid, a joyous occasion marking the end of Ramadan, brings communities together in celebration. With prayers, feasts, and acts of charity, it symbolizes unity, gratitude, and renewal of faith. It's a time for reflection, compassion, and spreading happiness.

The Eid activity conducted on April 4th and 5th, 2024, provided students with an opportunity to celebrate cultural diversity and deepen their understanding of Eid traditions. Students enthusiastically participated by dressing up in traditional attire associated with Eid celebrations. They delivered informative presentations, showcasing various Eid customs, including traditional foods, clothing, and festive rituals. This activity prompted students to recognize the diversity of cultural practices and develop a deeper appreciation for cultural heritage.

## MY GARDEN DRAWING ACTIVITY REPORT

Grade 4 students at DPS Monarch International School actively participated in “My Garden” drawing activity. The students enthusiastically engaged in the activity, using their imagination and creativity to depict the beauty of the garden in their drawings. The garden drawing activity provided students with a meaningful and enjoyable artistic experience.

## ASSEMBLY ON EARTH DAY

Grade 4A students at DPS Monarch International School conducted their class assembly on the topic “Earth Day”. The assembly focused on the urgent need for environmental conservation and sustainable practices. Throughout the event, students presented an array of programs that inspired the audience about the significance of the Earth Day. It was an inspiring and educational event, urging the audience to make a commitment to protect and preserve our planet. Our respected Headmaster addressed the gathering with his words of wisdom.

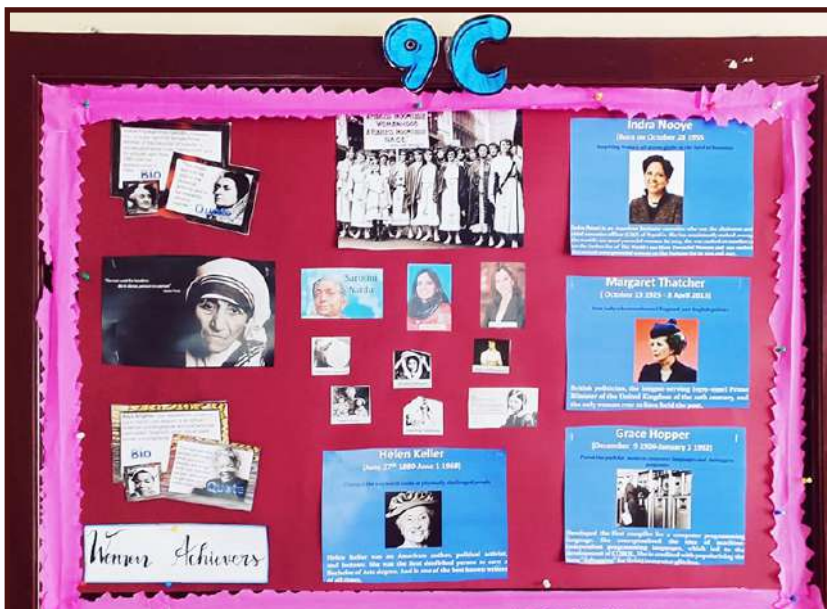

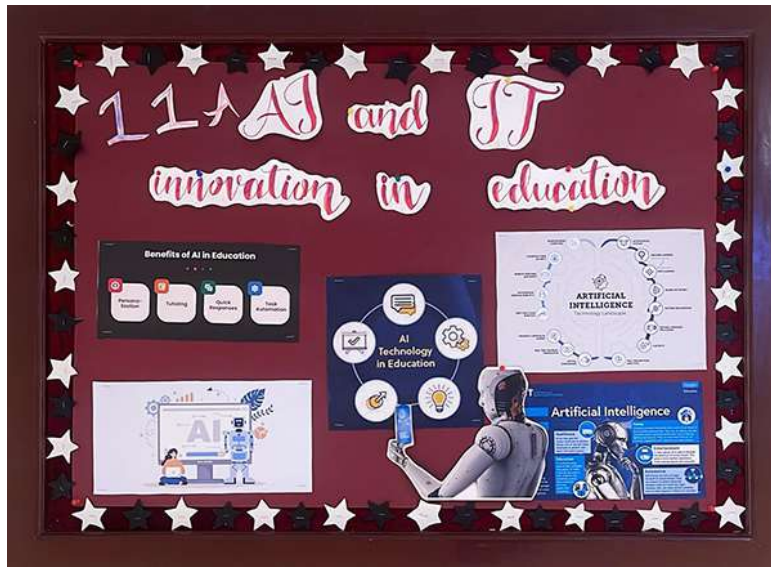

## Transforming Walls into Worlds: Where Heroes Come to Life!

Bulletin boards appeal to the visual side of learning for students and in order to build an awareness and interest in the mind of our students, we stepped into the world of creativity. The incredible display of Monarchians of Grade 9 to 12 brought life to many heroes across the world.

From eye-catching themes on Women achievers, AI and IT in education to thought-provoking displays on **Viksit Bharat 2047** and **Career Opportunities** based on stream selection; each display is a testament to the ingenuity and passion of our young artists. These displays serve as more than just decorations; they are platforms for education, awareness, and community building for Kinesthetics learning.

Everyone celebrated the vibrant artistic celebration that ignites young minds for more creativity.

“Crafting is the art of turning ordinary things into extra ordinary things.”

## MENTORING YOUNG MINDS

A session by School Counselor Ms. Reema Raheja on how to go about future careers for students of grade 9 and 11 was conducted on 29th April, 2024 in School Multipurpose Hall. The students were made aware about the career guidance program which would help them to explore their interests, skills, and strengths and help them to take a right decision about their future. Topics like registration on Bridge-U: A UK based curriculum platform, benefits of registering on it, building a profile for college applications, various college assessment test and their requirements were covered in this session. Two students of grade XI motivated the students of grade IX and grade XI on benefits of a career guidance program and how it would help them to reach their career goals. Our Headmistress Ms. Madhu Uppal also spoke about how important the journey of profile building is and how career guidance program would make them feel more confident and prepared as they would enter the new world of competition age.

# Seminar on New Educational Policy to Enlighten Educators

The Indian Cultural Center's Ashoka Hall witnessed a gathering of educators on Saturday, April 27th, 2024, for a session on the New Education Policy, meticulously organized by the Science India Forum Qatar (SIFQ). Led by Dr. Mayuri Dutt, the esteemed National Coordinator of Vidyarathi Vigyan Manthan, supported by prominent educational bodies such as NCERT, CBSE, CISE & COBSE from India, the session aimed to elucidate the intricacies of the new curriculum and its implications for teaching practices and student development.

The event was attended by Ms. Madhu Uppal, Mr. Sujith Kumar, Ms. Avlin Blossom, Ms. Neethu Jayaprakash and Ms. Shweta Koshti from our school. The session was structured to provide a comprehensive understanding of the evolving educational landscape. Through Dr. Mayuri Dutt's presentation, attendees were guided through the transformative potential of the New Education Policy, with particular emphasis placed on skill development and its role in shaping the future of education.

The seminar, serving as a beacon of enlightenment, has undoubtedly contributed to fostering a more informed and prepared cadre of educators poised to embrace the evolving educational paradigm.

# INTERMEDIATE JUDGES TRAINING

The quality of a judge's decision also makes a big difference in the experience of debaters, and a judge's post-debate feedback impacts debaters' learning. Qatar Debate has designed a rigorous training program to help the teachers to acquire skills of debating and to promote debate clubs in school. Debate judges play a critical role in our debate competitions. Without judges, **Qatar Debate** cannot run their tournaments. The **Intermediate Judges Training program** was held on 27<sup>th</sup> April 2024 at Qatar Debate, Education City. This training was attended by **Ms. Himaya Dennis and Ms. L.N. Rajeshwari**.

# PARENT ORIENTATION

Parents and students engage in informative sessions during DPS-Monarch International School's Parent orientations for the new Academic Year, 2024-2025.

DPS-Monarch International School recently concluded a series of parent orientations aimed at acquainting families with the workings of the institution, its curriculum, and structure for the new Academic Year. Held from April 21st to April 24th, the orientations provided a comprehensive overview of various aspects crucial for parents and students.

The event commenced with an address by the Principal, setting the tone for the informative sessions that followed. The Headmaster and Headmistress of each section delivered an insightful overview of the curriculum, highlighting key learning objectives and methodologies. Academic Coordinators elaborated on the scholastic structure and assessment methods, while Activity Coordinators

elucidated on co-scholastic activities, emphasizing their role in holistic development. Insights from the School Counsellor provided valuable guidance on student well-being and academic support. The Special Educator addressed guidelines and assistance available for children with special needs, promoting inclusivity. The IT and Facilities departments briefed attendees on technological resources and infrastructure. The

sessions culminated in a dynamic question-and-answer segment, fostering interaction, and clarifying queries. With a focus on collaboration between school and parents, the orientation reaffirmed DPS-Monarch International School's commitment to connecting Home and School.
