From Principal's desk....

Important Update – Discontinuation of WhatsApp Communication

Dear Parents,

This is to inform you that, due to certain regulatory guidelines, the school will **no longer be able to broadcast any circulars or messages through WhatsApp with effect from tomorrow (20th November 2026)**.

All school-related communication will continue to be shared strictly through the following official channels:

1. **Nexquare (School Portal)** - All circulars are uploaded regularly on the portal.
2. **Zenda App** - Circulars will be posted on the app, and you will also receive an **email notification** for every circular uploaded.

We are confident that this system ensures **effective communication**, and we strongly emphasise that **parents must check the school portal daily** to stay updated.

Additionally, we wish to reiterate that **WhatsApp is not an official mode of communication** for the school. Therefore, we request parents **not to send messages to teachers on WhatsApp**.

For parent–teacher communication, the following approved channels may be used:

- The communication option available on the **school portal**
- Fixing an **appointment** to meet the teacher
- Contacting the school through **official phone calls or emails**
- Using your child's **almanac** for day-to-day communication

Please note that the school's main WhatsApp broadcast group will be used **only for emergency notifications or extremely urgent updates**. It is **not** a channel for parents to send messages.

We sincerely appreciate your cooperation and support as we work together to maintain clear, smooth, and efficient communication.

Thank you!

Warm regards,

Meenal Bakshi
Principal

Our Motto

Education with a difference

Our Vision

DPS Monarch International School will deliver learning excellence that is child-centric, value-based, and technology-driven.

Our Mission

DPS Monarch International School will ensure that students add value to their community and make the world a better place to live.
