Opportunity to Earn Free Cisco Certifications- GRADE VI-XII

Dear Parents & Students,

Greetings of the day!

We are pleased to inform you that **Lusail University & Cisco Networking Academy** has launched a series of free online, self-paced courses aimed at developing and enhancing digital and technical competencies — essential skills for success in the modern world of technology.

This is an excellent opportunity for all students interested in networking, cybersecurity, artificial intelligence, and the Internet of Things (IoT) to gain globally recognized certifications and strengthen their future career prospects.

You may choose from any of the following courses:

- Network Technician Career Path Exam (*Get started towards your CCNA*)
