Circular to Parents – Music Curriculum for Kindergarten

Dear Parents,

Greetings from the School!

We would like to inform you that the Stephen Devassy Music Academy program is not available for kindergarten students. Keeping in mind the age and learning needs of our KG children, a basic music curriculum has already been incorporated into their regular school music classes.

Once students progress to Grade 1, they will become eligible to enroll in the Stephen Devassy Music Academy classes, where they can further enhance their musical abilities in a more specialized and structured program. This gradual progression ensures that children are well-prepared, confident, and ready for the next level of music learning.

We look forward to nurturing your child's musical journey and thank you for your continued support.

Warm regards,

Meenal Bakshi
Principal
