## MY VALUES SHAPE MY IDENTITY - FITRAH INITIATIVE

Dear Parents,

Greetings from DPS Monarch International School !

We are pleased to inform you that our school is participating in the **Second Edition of the Fitrah Initiative** under the **"My Values Shape My Identity Program"** introduced by the Ministry of Education. The objective of this initiative is to ensure that, through age-appropriate educational activities, students gain a deep understanding of themselves. This contributes to the development of a conscious personality that is firmly grounded in their innate nature (fitrah), and capable of protecting themselves and their community. It also empowers them to contribute positively towards achieving the nation's vision and the values emphasized by His Highness the Amir in his noble speeches.

### Parent Message from the Ministry:

*Dear partners in responsibility,*

*Sound upbringing, founded upon true religion, nurtures positive qualities in boys and girls, strengthens their self-confidence, increases their awareness of their role and purpose in life, and builds an inner safeguard that protects them from behaviors contrary to the fitrah upon which Allah created them.*

As part of this initiative:

- **Coloring activity sheets and family activity for Kindergarten level** provided by the Ministry are shared as an **attachment with this circular**. Students will complete these activities with your guidance and encouragement at home.
- Completed work is to be **submitted to the respective HRT by 10<sup>th</sup> May 2026**
- Students are also required to participate in an **online interactive game** :

We sincerely request your support and cooperation in making this initiative meaningful and successful. Your involvement will play a vital role in reinforcing these values in our young learners.

Warm regards,

Principal
