Important Updates Art Integrated Projects and Art Education Oriented Club Activities

Dear Parents,

Greetings from the School!

We would like to share some important updates regarding upcoming academic and co-curricular initiatives for **students of Grades 1 to 10**, aligned with the CBSE framework and its emphasis on holistic development and 21st-century skills.

1. Interdisciplinary Projects (IDP) – Art Integration

The Interdisciplinary Projects (IDP) will now be implemented as **Art Integrated Projects**, in line with the CBSE Art Integration component. While the overall theme and philosophy of the IDP (Inter Disciplinary Projects) will remain the same, various forms of art will be meaningfully incorporated into the projects.

This approach will provide students with opportunities to:

- Explore their creativity
- Strengthening problem-solving skills
- Engage in cross-disciplinary learning

Through this enhanced format, students will experience a more enriching and hands-on learning process.

2. Clubs Re-structured as Art Education

In accordance with CBSE's focus on **Art Education**, club activities will now be restricted and more aligned with art education related activities. While we have been conducting club activities over the years, this new format will ensure a more structured and inclusive exposure.

Key highlights:

- Club activities will be conducted **based on monthly themes**
- Students will **not opt for a single club**, but will instead rotate across a variety of activities
- Activities will include **dance, theatre, music, culinary art, role play**, and more

This will ensure that every child is exposed to diverse art forms, helping them discover their interests and develop multiple skills.

These changes are designed to align with CBSE curriculum guidelines and to nurture well-rounded individuals equipped with essential 21st-century competencies.

We look forward to your continued support as we implement these enriching initiatives for our students.

Happy Learning!

Warm regards,

Ms. Meenal Bakshi
Principal

Our Motto

Education with a difference

Our Vision

DPS Monarch International School will deliver learning excellence that is child-centric, value-based, and technology-driven.

Our Mission

DPS Monarch International School will ensure that students add value to their community and make the world a better place to live.
