MY VALUES SHAPE MY IDENTITY - FITRAH INITIATIVE

Dear Parents,

Greetings of the day!

We would like to express our sincere gratitude to all parents and students for their enthusiastic participation and support towards the month-long **Fitrah Activities Initiative** launched by the Ministry. The creativity, effort, and commitment shown by our students truly reflect the spirit and objectives of the initiative.

Parent Message from the Ministry:

Dear partners in responsibility,

Our country awaits our sons to become strong and righteous men who carry values, bear responsibility, and contribute to its progress through their knowledge and work. It also awaits our daughters to become righteous women who help build the nation through nurturing future generations and through meaningful participation in fields of work and service. So, plant within them love for the homeland and teach them that they have an important role in its advancement, so they may grow up feeling that they are a part of it and of its future

As part of the final submission process, parents are requested to kindly complete the participation feedback form using the link provided below on or before **18th May 2026**.
