Dear Parents,

Greetings!

We are pleased to inform you that on January 15th, representatives from the Ministry of Public Health visited our school to collect water samples from the Ground, First, and Second floors. These samples were thoroughly analyzed at the Central Food Laboratory of the Ministry.

We are delighted to share that the water quality has been confirmed as safe for drinking, ensuring the continued health and well-being of our students and staff.

Thank you for your trust and support in fostering a safe and healthy environment for our children.

Warm regards,

**Meenal Bakshi**  
**School Principal**
