Sub: Important Update - Changes in Periodic Test (PT) Schedule

Dear Students and Parents,

Greetings of the day!

After several discussions with parents and considering valuable recommendations, we are implementing a change in the schedule for Periodic Tests (PTs) to enhance students' learning experience.

Previously, PTs were conducted every Monday. However, moving forward, PTs will be conducted within a specified window period—three times a week on Sunday, Tuesday, and Thursday. This change aims to:

- Provide better time management flexibility for students.
- Enhance focus and preparedness during the PT window.
- Ensure a structured assessment pattern for better academic performance.

This revised schedule will be applicable for all grades from Grade 1 to 12, starting from the upcoming PTs. The updated datasheet for respective grades will be shared soon.

We appreciate your continuous feedback in helping us implement the best practices for fostering a better learning environment for our students.

Thank you for your support and cooperation.

Warm regards,

Meenal Bakshi
School Principal
