"Our planet's health is in our hands. Together, we have the power to make a difference."

"Our Power, Our Planet"

Earth Day 2025 Celebration KG 1 to Grade 12

Dear Parents and Students,

Greetings of the day!

Earth Day, celebrated annually on April 22nd, is a global event dedicated to raising awareness about environmental issues and promoting sustainable practices. It serves as a reminder of the urgent need to protect and preserve our planet for future generations. ***This year's theme, "Our Power, Our Planet," encourages individuals and communities to recognize the power they have in making a positive impact on the environment.*** Earth Day is a call to action for everyone to come together, understand the challenges our earth faces, and work collaboratively towards a greener, healthier world. Through activities, awareness, and advocacy, we can all contribute to safeguarding our planet for years to come. It's an opportunity to reflect on nature's blessings and show our gratitude.

To inspire environmental awareness and encourage meaningful action, we have planned a week of engaging inter-house competitions for students from **KG to Grade 12**, starting from **April 14th to April 22nd, 2025.**

Kindergarten 1 to Grade 4 - Kindly note in consonance with CBSE under the NEP program of Bagless school policy, students are not to carry bags except for their lunch bags on **14th of April 2025** as it will be observed as “Bagless Day” for **Kindergarten 1 to Grade 4 Students**.

Plantation Drive: In celebration of Earth Day, we encourage all parents to inspire their children to participate in our Plantation Drive on the **15th of April 2025**. Students are invited to bring saplings to school, contributing to a greener and healthier environment for the future. Let us come together to make a positive impact on our planet.

Bulletin Board Competition: To further commemorate Earth Day 2025, students from Primary, Middle and Secondary Schools will take part in an exciting Inter-House Bulletin Board Decoration Competition on the **13th of April 2025**. The focus of this competition will be the theme of Earth Day, where students will showcase their creativity while raising awareness about environmental issues.

The detailed activity description is as follows-

Grades	Nature of Activity/Competition	Details
KG 1	Dress Up Activity 14/04/25	Students will participate in Dress up activity on the topic- <i>Save Mother Earth</i>
KG 2 to Grade 2 Grades 1 and 2	Show and Tell Activity 14/04/25	Students will participate in Inter House Show and Tell dress up activity on the topic- <i>Save Mother Earth</i>
Grades 3 and 4	Show and Tell Competition 14/04/25	Students will participate in Inter House Show and Tell competition on the topic- <i>Save Mother Earth</i>
Grades 5 and 6	Role Play Competition (English)	Students will participate in an inter house role play competition where they will imagine themselves to be an <i>environmental activist</i> and advocate for recycling to save earth.
Grades 7 and 8	Poster making competition (Social Science)	Students will compete in an Inter -house Poster making competition focusing on theme <i>Renewable energy</i>
Grades 9 and 10	Short Story competition (Languages)	In this Inter-House Short Story Writing Competition, students will explore the theme <i>A World Without Plastic Bags</i> .
Grades 11 and 12	Debate Competition (English)	Students will participate in an inter house debate competition on the topic- <i>This house believes that clean energy has the potential to drive world economies on the path to recovery.</i>
Winners will be felicitated with certificates		

We look forward to seeing the students' innovative contributions.

Best Regards,
Meenal Bakshi
Principal

Our Motto

Education with a difference

Our Vision

DPS Monarch International School will deliver learning excellence that is child-centric, value-based, and technology driven.

Our Mission

DPS Monarch International School will ensure that students add value to their community and make the world a better place to live.
