Subject: Welcome to the Academic Year 2025–26 with PhysicsWallah at DPS Monarch International School

Dear Parents,

Greetings from **PhysicsWallah Gulf!**

We are delighted to welcome you and your child to the **School Integrated Program** at **DPS Monarch International School**, launched in collaboration with PhysicsWallah. This is our **first academic year** together in Qatar, and we are truly excited to begin this journey with your family.

Our mission is to provide strong academic support to students—helping them excel in school while laying a solid foundation for future competitive exams. As we begin the year, here are some important updates:

- **Academic Updates**

Classes have commenced, and teachers are fully committed to ensuring consistent progress and strong academic outcomes. The teachers are undergoing training on PW's technology features to enhance the learning experience of our students.

- **Technology Platform**

- Students can log in to the website <https://www.pwgulf.com/qa> and register using a Qatar mobile number. Once a profile is created, please fill this Google form for us to identify your registration and give you access to various features.
- Google Form Link: <https://forms.gle/Dmgq1wKhZsFhHEkZ7>

- **Books & Study Material**

Hard copy books are already in process and are expected to be delivered **before the end of this month**. These resources are aligned with both the school curriculum and long-term academic planning.

- **Enrollment Form**

A **hard copy of the PhysicsWallah SIP Enrollment Form** will be given to your child on **Sunday**. Please **fill in the required details and return the completed form via your child on Monday**. This will help us keep all records in place and ensure smooth coordination going forward.

- **PW Representative & Project Manager for DPS Schools**

Mr. Shrey Baxi will be the overall Project Manager and PW's Representative along with his team at DPS. For any queries parents can reach out to him on his **Temporary WhatsApp Number: +971-564542200**.

- **Student and Parent Support**

As this is the first year of the program, our team is fully committed to being available and responsive to your needs.

For any queries or concerns, you may write to us at **dpsdoha@pwgulf.com**, keeping **Principal Mam in CC**. We will soon share a centralised Qatar Mobile Number for WhatsApp and Calls. We will ensure timely and helpful responses to support your child's academic journey.

- **Fee Adjustments**

The launch offer discount is applicable for parents who joined the Student Integrated Program earlier as well before the announcement of the discount. The fees paid will be adjusted accordingly.

Looking forward to working with you in the best interest of our beloved students.

Warm regards,

Team PhysicsWallah Gulf
