We are pleased to announce the successful launch of our Special Education Needs (SEN) program, **“Monarch iRISE” – Inclusive Reach for Individual Support and Empowerment**. We are now delighted to begin the formal implementation of the **Monarch iRISE**, an initiative aimed at promoting equitable and inclusive education for students with special needs.

This program reflects our strong commitment to building a nurturing, inclusive learning environment where every student can thrive. The Monarch iRISE program is designed with a student-centered approach and incorporates personalized strategies to address a wide spectrum of learning needs. Aligned with the best international practices and inclusive education standards, the program includes the following core components:

1. Individualized Education Plans (IEPs)
2. Assistive Technology Integration
3. Modified Assessments and Evaluations (as per CBSE accommodations)
4. Qualified SEN and Occupational Educators
5. Well-equipped SEN Activity Room and Occupational Therapy (OT) Room

Inclusive education enriches our school community by fostering empathy, collaboration, and respect for diversity. We deeply appreciate your continued cooperation and support in making this initiative a success.
