Stephen Devassy Music Academy – In-School Music Classes (Term 2 Registration Open)

Dear Parents,

Greetings of the day!

We are delighted to share an important update regarding the **Stephen Devassy Music Academy program at DPS Monarch International School**. Starting from **Term 2 (1st September 2025)**, the music classes under this academy will be conducted **during school hours**, making it more convenient for students to attend without having to stay back after school.

To support this initiative, students enrolled in the academy will be allotted **special music periods** within their regular timetable. There will be **three sessions per week**, and the curriculum will include both **theory and practical**. A **certificate of completion**, along with the level attained, will be awarded to students at the end of the academic year based on their performance and progress.

Additionally, students enrolled in the academy will also have the **special opportunity to perform during the school's Annual Day celebrations**, providing a platform to showcase their learning and talent.

Please note that the fee will now follow a **term-wise payment structure** instead of a monthly one. The **fee per term is QAR 1200**, and there will be **three terms** in the academic year.

We are pleased to re-open **registrations** for this program following the above changes. We encourage all students interested in enhancing their musical skills to register and take advantage of this opportunity.
