From Principal's desk....

Dear Parents,

Greetings of the day!

As part of our ongoing commitment to student safety and well-being, we are pleased to inform you that each child has been assigned a designated seat on the school bus for the academic year 2025–26.

This seating arrangement has been thoughtfully planned grade-wise to ensure smooth boarding, effective supervision, and quick response in case of emergencies. It is a key initiative to enhance the overall efficiency, safety, and discipline of our school transport system.

Objectives of the Seating Arrangement:

- ✓ Ensure student safety and supervision during travel
- ✓ Maintain order and discipline on the bus
- ✓ Facilitate quick and safe evacuation during emergencies
- ✓ Enable effective monitoring of student movement

We are also pleased to share that a **Bus Monitor** have been appointed for each bus. These student leaders will assist in maintaining discipline, supporting younger children, and reporting any concerns to the responsible adult on board. Their role is instrumental in promoting a safe, respectful, and organized travel experience for all.

Attached Details Include:

- Assigned Bus Monitor
- Name of the Staff In-charge for the respective bus
