From Principal's desk....

Dear Parents,

Greetings!

As part of the Ministry of Education, Government of India's initiatives to promote the internationalization of higher education under the *National Education Policy (NEP) 2020*, a significant step has been taken through the launch of the '**Study in India (SII) Portal**' on 3rd August 2023. This initiative is jointly led by the Ministry of Education (MoE), the Ministry of External Affairs (MEA), and the Ministry of Home Affairs (MHA).

The **SII Portal** serves as a *one-stop platform* for international students, simplifying the process of:

- Submitting applications
- Admission procedures
- Student visa applications

This portal acts as a gateway for pursuing regular, short-term, or long-term courses in Indian Higher Educational Institutions (HEIs).

Key Highlights:

1. All foreign students aspiring to study in India must *mandatorily register* on the SII Portal.
2. Upon registration, the portal will generate a unique **SII-ID**, which is to be quoted in the student visa application.
3. The Ministry of Home Affairs has also introduced the **e-Student Visa**, which can be applied for using the SII-ID via the Indian Visa Portal.

4. Registration on the SII Portal is essential for the operationalization of the e-Student Visa.

This is an important opportunity for students to explore higher education in India through a streamlined and transparent process.

You are encouraged to visit the official **Study in India (SII) Portal** for detailed information and guidance.

Warm regards,

Meenal Bakshi
Principal
